

## **SEAPEX TECHNICAL FORUM / FARMOUT FORUM FRIDAY 9<sup>TH</sup> APRIL 2010**

SEAPEX will host an afternoon Technical/Farmout Forum on Friday 9th April 2010 at Orchard Hotel, Singapore. This will be held after the Singapore Scout Check and will continue in place of the normal SEAPEX evening meeting.

The **Technical Forum** will feature up to 8 presentations that will concentrate on key global technology achievements that will affect future hydrocarbon exploration. There will be no requirement for South East Asia examples.

The **Farmout Forum**, will comprise of a farmout poster panel exhibition area where companies can promote farmout opportunities and discuss them with potential investors.

The format of the Technical Forum will be the same as the 2008 Forum; it will start at 1400 hrs after the Singapore Scout Check Meeting and close at 1830 hrs, and will be followed by the usual SEAPEX networking session where an open bar and refreshments will be provided throughout the evening. The Farmout Forum will continue until the end of the evening.

Registration to attend the Technical/Farmout Forum will be open to SEAPEX Members only in accordance with Singapore regulations, and will start at 1330 hrs. The 2008 registration fee of S\$40 shall be maintained, which includes tickets for 4 drinks. Non-members will be welcome to join as a Member at the registration desk (paid up to end September 2010). Non-members will be charged a membership fee of S\$70 plus S\$40 registration.

### **CALL FOR TECHNICAL FORUM PAPERS**

We invite all companies that have an interest in giving a talk at the Technical Forum to submit an abstract to SEAPEX for consideration. The talks may cover all technologies available to explore for hydrocarbons worldwide. Presenters will be encouraged to publish full papers in SEAPEX Press after the Forum.

We request presenters to contribute a sponsorship of S\$ 500 to assist with event costs. Please note that the individual registration fee of S\$40 will still apply.

### **CALL FOR FARMOUT FORUM POSTERS**

We invite all companies that have an interest in reserving a poster panel slot at the Farmout Forum to submit a request, providing details of the asset(s) to be farmed out. Poster space will be 3 meters wide and 2 meters high and should be manned by a Company representative to field attendees' questions. Farmout Poster exhibitors are encouraged to submit their presentations in PDF format beforehand. We will compile the presentations on a CD for distribution at the event.

The fee for each Farmout Forum space will be S\$1,500 per company. The individual registration fee of S\$40 will still apply.

Early subscription to participate in the Technical/Farmout Forum is recommended. If your company is interested in making a presentation at the Technical Forum and / or participating in the Farmout Forum, please contact the following at your earliest convenience.
