(Singapore 10 February 2010)

## **SEAPEX EXPLORATION CONFERENCE 2011**

Singapore-based South East Asia Petroleum Exploration Society (SEAPEX) announced today that the next bi-annual SEAPEX EXPLORATION CONFERENCE will be held from Monday 4th April to Thursday 7th April 2011.

For the sixth time, the SEAPEX Exploration Conference (SEC) will be a stand-alone event. The conference will highlight the upstream / new ventures activities and opportunities in the Asia Pacific region. The conference will end at 3pm on Thursday 7th to allow for the Singapore Scout Check Meeting to be held in the afternoon.

There will also be the usual SEAPEX Golf Tournament on Friday 8th April and the SEAPEX Tennis Tournament will be on Monday 4<sup>th</sup> April.

The venue is the same as the last five conferences: SEAPEX has contracted the entire conference center at Orchard Hotel in Singapore, a location well known to the SEAPEX members and Scout Check attendees. The talks and farmout presentations will be divided into geographic areas and will feature keynote speakers and industry experts talking on a wide variety of interesting topics.

The SEAPEX Exploration Conference in 2009 was highly successful, attracting 650 delegates from around the region. The 2011 SEAPEX Conference Committee will seek support from potential speakers and sponsors to reach its goal of making this Conference the premier petroleum upstream event in Southeast Asia.
